## **Agreement**

### **Participation Agreement:\***

I understand that by submitting this form I am committing to have applicants apply through NursingCAS to my school's nursing program(s). I have read and I am agreeing to the terms outlined in the [Participation Agreement](#).

I understand

### **Usage Policy:\***

I understand that by submitting this form I am agreeing to the [NursingCAS Usage Policy](#). Full access to "In Progress" applicant data is viewable to users in WebAdMIT. It is permissible to export the NursingCAS applicant data into your internal university systems for the purpose of recruitment efforts and admissions workflow processes ONLY. NursingCAS prohibits any college or university from making an offer to an applicant before they have submitted their application through NursingCAS. Applicants generated to your program via NursingCAS are required to submit their application via NursingCAS should they wish to be considered for admission. The NursingCAS staff reserves the right to deactivate your listing on the application, restrict your access to the system, and withdraw your school from participation should we find that you are in violation of this usage agreement.

I understand

### **Accreditation Policy:\***

I understand that by submitting this form I confirm that my program(s) are accredited as outlined below. Programs that are eligible to participate are those that grant RN diplomas, 2nd degree, associate, certificate/non-degree, bachelor's, master's, or doctoral degrees in nursing. Programs must have or must be seeking accreditation from the Commission on Collegiate Nursing Education (CCNE), the Accreditation Commission for Education in Nursing (ACEN), or the Commission for Nursing Education Accreditation (CNEA), the Council on Accreditation of Nurse Anesthesia Educational Programs (COA), or the Accreditation Commission for Midwifery Education (ACME). Programs must notify the NursingCAS team of all accreditation status changes within 1 week via [nursingcas@aacnnursing.org](mailto:nursingcas@aacnnursing.org). NursingCAS programs which lose accreditation are responsible for notifying applicants immediately of the status change and refunding NursingCAS fees to applicants. NursingCAS will not be responsible for refunding fees to these applicants. If a program has new applicant status or is currently seeking accreditation from CCNE, ACEN, CNEA, COA, or ACME then AACN will decide whether or not and at what point that program will be eligible to participate in NursingCAS. Participation is open to non-AACN member schools.

I understand

### **Withdrawal Policy:\***

I understand that schools reserve the right to withdraw participation from NursingCAS for any or all program(s) posted on NursingCAS. I understand if my school decides to voluntarily withdraw from NursingCAS, the primary contact from my school must sign and date a [NursingCAS Voluntary Withdrawal Form](#) and complete an exit survey. I understand that NursingCAS, Liaison International, and AACN are not responsible for refunding applicant fees. Schools should refund applicants their applicant fees in this scenario. You will need to notify AACN's Director of Strategic Partnerships, Stephanie Wurth, at [swurth@aacnnursing.org](mailto:swurth@aacnnursing.org) of your decision. I understand that schools cannot officially withdraw from NursingCAS until they complete a posted program's application cycle, once the deadline arrives, schools can then deactivate their program listing should they choose to withdraw and will continue to have access to any submitted applications via WebAdMIT, the admissions software for NursingCAS.

I understand

### **Background Questions Policy (NEW for 2021-22 cycle):\***

I further understand that Liaison International and the American Association of Colleges of Nursing will not be responsible for ensuring the legality of any questions or content added by NursingCAS participating programs. Content within custom questions is the responsibility of each institution. Additional information is available at [2021-2022: Critical Update to Background Questions page](#).

- Once my school opens up a program to applicants on NursingCAS, my school cannot withdraw from NursingCAS until that program(s) deadline date has been reached.
- Schools can add nursing programs and extend deadlines at will, as long as they fall within the NursingCAS cycle dates.
- Once my school publishes a program live on NursingCAS, any applicant who applies will receive an admissions decision from the school.
- To access applications submitted via NursingCAS to my school's programs, users from my school must log into WebAdMIT, the web-based admissions software for NursingCAS. Schools are responsible for maintaining user access, setting up user rights on WebAdMIT, and monitoring applicant activity.
- The NursingCAS/WebAdMIT staff will provide ongoing training and support to school users as requested via phone, email, and web. The NursingCAS customer service team will provide ongoing support to applicants via phone, email, and chat.
- Applicants must pay the NursingCAS fee in order to submit their application and materials through NursingCAS to be considered by programs they have selected.
- If an applicant initiates an application via NursingCAS, your school is not allowed to direct applicant(s) to apply to your nursing program through an outside application method or tool to use in lieu of NursingCAS.
- My school will submit final decision codes within NursingCAS as requested by AACN for national data trending.
- My school will complete required forms and surveys during the application cycle.
- My school will adhere to the "in-progress" applicant usage policy outlined below.

**Our school understands that participation requires adhering to the following:**
